Features

HellermannTyton standard faceplates are easily configured, allowing for additions, deletions or changes to connections. This smooth finish, flush mount faceplate enables quick and easy installations. Offered in single gang and dual gang styles, HellermannTyton standard faceplates are offered in 1, 2, 3, 4, 6 and 12 port configurations.

HellermannTyton's line of adhesive labels can be used for identification. The 1, 2, 3, 4 and 6 port faceplates are also available with identification windows that also cover up the mounting screw. All faceplates come with color-matched mounting screws.
