

Fiber Optic Jumpers

Description:

Get exactly the jumper you need to make the transition from cross-connect point to the electronics. With unmatched insertion loss and exceptional return loss performance, OCC's comprehensive line of fiber jumpers ensures the right connection every time. Each polish is 100% tested and every assembly is provided with corresponding test data. Available in simplex or duplex, Multi-mode (50/125 or 62.5/125) or Single-mode and a variety of connector types and lengths, OCC's jumpers can be ordered to customize any fiber optic protocol.

Features:

- ISO certified
- Telcordia GR-326-CORE compliant
- Automated polishing equipment
- Interferometer testing for End-face geometry
- 100% testing on Multimode for insertion loss
- 100% testing on Single-mode for insertion and return loss
- Multi-Fiber distribution cables, single or dual ended terminations
- Discrete connectors utilize ceramic ferrules
- Custom jacket colors for security applications
- Any specified length available
- PC polish is standard
